

Shutesbury Board of Health
May 15, 2019

Present: Catherine Hilton, clerk; Arleen Read, Norene Pease, Al Werner, board members; Garrett Simonsen, guest.

May 1 minutes were apparently not distributed, so not approved.

Discussion:

With Garrett Simonsen, a new Shutesbury resident and emergency planning consultant who offers his assistance to the Board of Health, discussion of the history and current and future state of EDS planning in Shutesbury and the region. MAPHCO meeting June 25; some of us will attend. MAPHCO is looking for membership support for taking the next year to assess alternative organizational structures that would potentially bring more disciplines into EDS planning and response.

155 Leverett Road: still waiting for the well permit application.

Follow-up on minutes: per Town Clerk, the only acceptable reason for redacting the minutes before posting them online is if there is medical information.
