

SHUTESBURY PUBLIC MEETING NOTICE

Posted in accordance with the provisions of MGL 30A §§18-25

Shutesbury Broadband Committee/MLP Board

Saturday, February 16, 2019

10AM

Shutesbury Town Hall

1. Take Attendance

Gayle Huntress, minute keeper neglected to take attendance at this meeting but a quorum was present.

2. Logo Choosing

Put all logos up on the wall to review. About a dozen entries. Removed all logos that indicated wireless service. Need to choose a logo that will look good very small so it can't be too details. All logos will need some kind of clean up if we choose one. Greg Caultron (graphic designer in town) offered to assist with this. Gayle will send top two choices to Greg to merge into one logo. Like the swooping S, the trees reflecting our rural are and colorful fiber strants.

3. Bid Update

Gayle, Kent and Graeme still working on the drop bid. Need Donna (legal counsel) to review.

4. Prep for FinCom

Reviewed the final budget and put into chart/spreadsheet for FinComm review. Will need additional town money to finance the drops to keep costs affordable for everyone. Will want FinComm and Selectboard input on this.
