Master Plan Working Group

9/20/17

Attending: Meryl Mandell, Chair, Michele Cunningham, Secretary, Jeff Lacey, Tim Logan, Mary Anne Antonellis, Allen Hanson – Michael DiChiara, visitor, Absent Mike Vinskey

Minutes from 9/6/17 approved as edited. Michele will pass minutes along to Susie to post.

Group discussed and edited the Lot O-32 Document that Michele put together based on the ideas discussed at the September 6th Meeting. A final Lot O-32 Committee Charge was drafted, read aloud, voted on and approved by the Group

The group agreed to have Michele send the final document to Meryl for non-substantive edits and Meryl will send to the Select Board prior to their next meeting on October 3, 2017. Meryl will attend that meeting and other members are encouraged to attend.

Jeff Lacey shared site maps created by Conway School of Landscape Design from earlier projects with the town.

At our next meeting, scheduled for October 4, we will begin our discussion on the “Low Hanging Fruit” topic. Allen will be recovering from surgery and will not be able to attend, but will try to get some ideas together to send to the group prior to the meeting if he can. If Mike Vinskey is present we will include his document in our discussion to explain his thinking on his ideas that relate to “Low Hanging Fruit” as noted in Minutes from 9/6/17. If anyone else has specific ideas to share prior to the meeting on 10/4/17 he/she can send to the group.

Agenda for next meeting at Town Hall on 10/4/17 at 7:30.
