NEW SHUTESBURY LIBRARY building grant count down! 6 days until the announcement is made. We are all staying optimistic and a wee bit nervous with anticipation. And the library has new hours now: M & W 11-1 & 3-7:30, T & Th 3-7:30, Sat. 10-1 and Sunday 3-6pm.

THE SCHOOL year is over, which gave our Heating specialists, Jamrog Inc., a chance to climb all over the building and complete a thorough review of the school HVAC system. Many valves needed replacement. A critical relay wire failed and the boiler has been working extremely hard. We hope that all systems, base boards, thermostats, valves, computer software are now all balanced and working together. There are still some major mechanical elements that need work but we hope to address all identified problems. The heat in the school should be more evenly distributed and efficient saving hundreds of gallons of fuel this coming year.

Saturday July 9, will be a special day at the market for children

- Pony rides!
- Breakfast bake sale & book sale to support the library!
- TRASH BAGS

Eggs, lettuce, kale, maple syrup, basil, compost, bouquets of flowers! Plant starts, perennials, insect repellent, shitake mushrooms, jewelry, clothes pin bags, bonnets, aprons, nature photos, wood work, baskets, and pot holders.
