TOWN COMMON GETS READY FOR NEW WAR MEMORIAL The Memorial Committee has been working on adding room for Shutesbury Soldiers names from recent wars, The Vietnam War, Gulf War, Iraq War and the War in Afghanistan. The new section of the memorial, is being built by students from Turners Falls Technical High School. The memorial will be larger then what is there now. To accommodate it the 16 trees that have been growing in a clump at the corner were removed this week. A tree hearing was held in July, by our tree warden, at a Selectboard meeting. Thanks to our highway crew for taking care of this.

The view of the Common is dramatically changed. Visibility for cars turning on to Leverett and Cooleyville Rd. is improved.
