

Priorities for Municipal Services?

Type

Location

- Less police (smaller force) • •
- Regionalize police staffing and coverage • •
- Add some public transportation (vans, small buses)
 (good for environment and an aging population) • •
- Better access to the State Park in the evenings, other seasons (beach) • •
- General health clinic - nurse? Mini-clinic? Metride service? • •
- Education on how to drive on dirt roads & winter roads • •
- Education about private infrastructure (wells, septic) • •
- Education about alternative energy • •
- Municipal electrical generation that benefits town • •

Priorities for Municipal Services?

Type

Location

o Better senior center

o Find economies of scale by sharing fire & police

o Services with surrounding communities

o Appreciate - and continue - the curbside trash, recycling

o Increase Highway Dep't staff to increase services

o Investigate streamlining Town Hall paperwork

o More health-related care, clinic

o More services for aging in place

o Continue the services we have today as a priority!

o Expanded library

o Link school to internships w/ in town businesses
