

HELP US HELP YOU!

If your home does not have a reflective house number at the end of your driveway it can be very difficult for Fire, Police, or Ambulance personnel to find in case of an emergency.

The Shutesbury Firefighter's Association can install a sign!

The cost of the sign and installation is \$45*. All proceeds will support the Shutesbury Fire Association and their activities for the community.

Contact the Shutesbury Fire department if you are interested or have any questions:

firedpt@shutesbury.org or (413) 259-1211

*For homeowners 65 and older signs can be installed at cost by special request.
