Acknowledgments

The Community Preservation Committee consulted with Town Boards, Committees, and citizens at large in formulating this plan. Over the past several years, residents and town officials, with broad community input, have developed plans and bylaws to guide Shutesbury’s development toward a shared vision. The Community Preservation Committee has drawn upon that important work in creating and maintaining this plan. In particular, we have relied extensively on Shutesbury’s 2004 Master Plan, the Open Space Plan (approved 2015 and updated in 2022), and the Master Plan Working Group Document (2017–2018). The Community Preservation Committee members deeply appreciate and acknowledge the good work done by those who contributed to the foundation that supports this plan.

Introduction

The Community Preservation Act (CPA) was passed by the State Legislature in Chapter 267 of the Acts of 2000 and is designed to help Massachusetts' cities and towns preserve and plan for their communities' futures and to raise funds to accomplish their Historic Preservation, Open Space, Recreation, and Community Housing goals. (See www.communitypreservation.org/ for more information.)

Shutesbury adopted the CPA at its May 2008 Annual Town Meeting and approved the Town bylaw establishing a Community Preservation Committee (CPC) in November 2008; the bylaw was further amended by Town Meeting in 2020. The CPA authorizes the Town to levy a 1.5% surcharge on property tax bills to raise funds to address our Historic Preservation, Open Space, Recreation, and Community Housing needs. In doing so, Shutesbury became eligible to receive state funds that match a percentage of the funds raised locally each year. Shutesbury elected to exempt from the surcharge the first \$100,000 of assessed value of each property's assessment and to adopt a low-income household exemption. The CPA requires that at least 10% of the Town's community preservation revenues each year be allocated to or set aside for projects in each of the following areas: Historic Preservation, Open Space, and Community Housing.

Ideas for CPA-funded projects are presented to the CPC by town boards or committees, groups of citizens, or local or regional organizations. The CPC itself does not devise or propose projects. The Committee then determines whether proposed projects are technically eligible for CPA funding. Eligibility is based on the statute and relevant case law. For projects found to be eligible and that submit full applications, the CPC then evaluates whether they are feasible and whether they are advisable, using the goals and priorities described in this Plan as a guide in its decision-making process. If a project is found to be eligible and advisable, the CPC recommends it to Town Meeting. Only Town Meeting has the authority to award CPA funding and only the Selectboard has the authority to sign CPA grant agreements; the CPC itself does not issue or administer grants.

Appendix A further details this application and approval process, including special rules for off-cycle grant requests. Appendix B contains the initial Determination of Eligibility form. Appendix C contains the Community Preservation Application.

Shutesbury's Community Preservation Plan was developed in 2010 and is revised annually with input from relevant Town boards, committees, and residents at-large about the Town's needs, possibilities, and resources regarding community preservation. The CPC's initial review in 2010 included a preliminary evaluation of historic preservation, open space, and community housing opportunities in Town. Community Preservation Plans from other communities were also reviewed.

Based on information gathered from this collaborative process, the CPC developed this Community Preservation Plan (CPP) to help the Town make the "highest and best use" of CPA funds. This plan provides the Town's current profile, goals and evaluation criteria for Historic Preservation, Open Space, Recreation, and Community Housing. These are used to evaluate proposed projects, although they are not binding upon the CPC.

The CPC seeks to maximize the impact of Shutesbury's limited CPA funds. Therefore, preferred projects creatively leverage and supplement CPA funding with other non-entitlement resources, as

well as with funding from other public and private sources. All recommendations for CPA funding must be consistent with Chart 1: “Community Preservation Fund Allowable Spending Purposes” from the MA Department of Revenue.

Chart 1. Eligible Use of CPA funds

	Open Space	Historic	Recreation	Housing
Acquire	Yes	Yes	Yes	Yes
Create	Yes	<i>No</i>	Yes	Yes
Preserve	Yes	Yes	Yes	Yes
Support¹	<i>No</i>	<i>No</i>	<i>No</i>	Yes
Rehabilitate and/or Restore	Yes, if acquired or created with CPA funds	Yes	Yes	Yes, if acquired or created with CPA funds

The chart above demonstrates the allowable uses of CPA funds in each of the CPA project categories: open space, recreation, housing, and historic preservation. This chart is critical for determining whether a proposed project is eligible for CPA funding. More detailed guidance in each of these categories is available at communitypreservation.org.

Chart adapted from “Recent Developments in Municipal Law”, Massachusetts Department of Revenue, October 2012.

¹ “Support of community housing” shall include, but not be limited to, programs that provide grants, loans, rent assistance, security deposits, interest rate write downs or other forms of assistance directly to individuals and families who are eligible for community housing or to an entity that owns, operates or manages such housing, for the purpose of making housing affordable.

I. Open Space

CPA funds may be expended for:

*”... the acquisition, creation, and preservation of **open space** and for the rehabilitation or restoration of open space that is acquired or created with CPA funds.”*

A. Open Space and Natural Resources Profile

Shutesbury is a rural community in Franklin County with 1,717 residents (2020 US Census), located in the hills on the eastern flank of the Connecticut River valley. The Town encompasses 27 square miles, or 17,188 acres. Shutesbury’s population grew extensively (+286%) from 489 to 1,810 between 1970 and 2000, though it dropped slightly to 1,717 by 2020. Between 1971 and 2002 Shutesbury lost 618 acres of forest due primarily to an increase in 533 acres of residential development.

About 90% of the Town’s land is forested open space (15,600 acres), of which an estimated 12,000 acres are protected. Forested ridges slope to the east in the eastern part of town. The central and western parts of town consist of rolling wooded hills and flats with interspersed areas of forested and non-forested wetlands. Lake Wyola lies in the northwestern corner of Town. Less than one percent (0.7%) of town land is now devoted to agriculture and 5.3% to residential development. Thirty-seven percent (37%, 6,392 acres) of publicly and privately owned Town land is “protected” with legislative or deed easement restrictions.

The Chapter 61 programs also protect open space in Shutesbury. Approximately 8% (1,367 acres) of privately owned forest land in Shutesbury is enrolled in a Chapter 61 program. The Town has the right of “first refusal” for any enrolled land that becomes available for sale. Several large tracts of land previously enrolled in Chapter 61 programs have since been converted to permanent conservation through permanent easements.

Shutesbury has some of the highest concentrations of contiguous forested lands in Massachusetts and priority is given to protecting this land. The Open Space Plan (approved 2015, updated 2022) revealed strong sentiment for maintaining the town’s rural profile—large parcels of healthy contiguous forested lands, unpaved shaded roads, and clean air and water—and an appreciation of Lake Wyola as a multi-seasonal recreational resource.

B. Open Space Goals

Increase permanently protected open space to preserve:

1. Open fields and non-forested lands
2. Woodlands, especially those extending contiguous forested land
3. Areas most significant to watershed, wildlife habitat, and water quality, especially for aquifers and drinking water supplies
4. Wetlands, well zones, agricultural land, water access and supply, and existing open space parcels within developed neighborhoods
5. Scenic vistas, roadside greenbelts, walking trails, historic areas, and other aspects of the town’s rural character
6. Natural resources from invasive species

II. Recreation

CPA funds may be expended for:

*“... the acquisition, creation, preservation, rehabilitation and restoration of land for **recreational** use. Recreational use is defined as active or passive. The Act prohibits use of funds to acquire, create or preserve land for a stadium, gymnasium, or similar structure.”*

A. Recreation Profile

Shutesbury’s large areas of undeveloped land and Lake Wyola provide opportunities for hiking, biking, kayaking, fishing, and other non-infrastructure-dependent outdoor recreational activities. However, Shutesbury has limited recreational infrastructure. The Open Space Plan (approved 2015, approved 2022) shows that Shutesbury residents want more recreational opportunities along with the social and educational benefits they provide.

Some sites in Shutesbury that offer recreational opportunities include:

- Elementary School – playgrounds, walking track, fields, and woods
- Fire Station - open field and horseback riding ring
- Lake Wyola
 - State Park, Carroll Holmes Recreation Area
 - Association Beaches and Pavilion
 - Town Boat Launch Ramp and Elliott Memorial Park
 - Eastern shore, 1.4 acres of Conservation Commission land
 - Top of the Lake Conservation Area
 - Cove Road Parcel
- Houston Gage Conservation Area
- Morse Hill
- Quabbin’s 5,000 acres of watershed lands with trail access
- Robert Frost Trail, Metacomet and Monadnock Trail, New England Scenic Trail
- Shutesbury Athletic Club - outdoor facilities
- South Brook Conservation Area
- Town of Amherst-owned Adams Brook Sub-watershed hiking trails
- Town Common
- Town Hall - open field
- Bright Water Bog Nature Retreat
- West Quabbin Woodlands Conservation Area

B. Recreation Goals

1. To create, rehabilitate, or restore recreational infrastructure to provide opportunities for youth and adults
2. To create, rehabilitate, or restore a community athletic field
3. To preserve and enhance Lake Wyola for recreational use

III. Historic Preservation

CPA funds may be expended for:

*“... the acquisition, preservation, rehabilitation and restoration of **historic resources**, where historic resources are defined as a building, structure, vessel, real property, document or artifact that is listed or eligible for listing on the state register of historic places or has been determined by the local Historic Preservation Commission to be significant in the history, archeology, architecture or culture of Shutesbury.”*

A. Historic Resources Profile

Shutesbury’s historical resources are fragile and non-renewable. These historical and scenic resources include buildings and sites, archeological sites and artifacts, landscapes, objects and artifacts, and documents and photos. Many of Shutesbury’s natural scenic features are the result of historic human events and activities. Together these irreplaceable historical and natural features provide a scenic backdrop that enhances the quality of everyday life in Shutesbury.

Some historical features of Shutesbury include:

- Albert Baker homestead at 7 Baker Road
- Ames Pond, bog and surrounding land
- Site of the late 19th/early 20th century Ames Sawmill
- Atkins Reservoir / Amherst Water Company’s 1900 Atkins Pond
- Baker Reservoir
- Sand Hill Road, site of the former Baker sawmill
- West Cemetery Hearse House
- Cemeteries
 - The West Cemetery and Luther Henry Tomb Yard,
 - Pratt Corner burying ground,
 - Hamilton family burying ground, and
 - Lock’s Pond Cemetery
- Historic schoolhouses (West School and South School)
- Stone structures (foundation/cellar holes, walls, Town Pound, Native American structures)
- “Hearthstone Hill” and Sirius Community hillside
- Lake Wyola – Bennet House and dam
- “Meetinghouse Hill” Shutesbury’s highest elevation at 1305 feet
- Mt. Mineral/Temenos site with an exposed stone with a carving of a figure
- Quabbin watershed - the Massachusetts Historical Commission has records for over seventy prehistoric sites on the state-owned Quabbin Watershed Reservation. A small portion of the Quabbin Watershed Reservation is in Shutesbury.
- Town Common and the surrounding historic private and public buildings
- Shutesbury’s oldest municipal building, the 1829 Old Town Hall, with unique primary source historical municipal records from 1735 to present, statutes dating to the 18th century, and artifacts significant to Shutesbury’s past.

B. Historic Preservation Goals

The primary use of CPA funds will be to acquire, preserve, rehabilitate, and restore publicly owned historic resources. However, in exceptionally meritorious cases privately owned historic buildings will

be considered for community preservation funding albeit with additional evaluation criteria, as detailed in Section V.

1. Preserve and protect historical and scenic resources:

- Buildings and sites
- Archeological sites and artifacts
- Landscapes
- Objects and artifacts
- Documents and photos

2. Preserve and protect Shutesbury's history in various forms:

- Historical documents
- Historical still and motion photography

IV. Community Housing

CPA funds may be expended for:

*“... the acquisition, creation, preservation, and support of **community housing** and for the rehabilitation or restoration of community housing that is acquired or created with CPA funds. Community housing is defined as low and moderate income housing for individuals and families, including low or moderate income senior housing.”*

A. Community Housing Profile

Although housing in Shutesbury is affordable for some, many residents have housing costs that are unaffordable or have other unmet housing needs. Residents of low or moderate incomes can be burdened by their housing costs and the rapidly increasing cost of housing in Shutesbury is likely making it difficult or impossible for new families and residents to buy or rent a home in town.

Affordable housing opportunities are limited for low and moderate-income families or seniors who would like to live in Shutesbury. There is limited availability of affordable rentals or housing for first-time homebuyers. Some senior residents would like to move out of their homes but remain in Shutesbury in apartments or condominiums.

The Shutesbury housing market has fluctuated considerably in the past 20 years. The median sales price for a single-family home in Shutesbury in 2024 was \$475,065, compared to \$235,000 in 2010 and \$157,750 in 2000. There was a decrease in the median sales price of nearly 10% from 2007 to 2009, followed by a 6.33% increase in 2010. Between 2000 and 2024, the median sales price has increased 201%.

B. Community Housing Goals

The Town wants to encourage any residential development that is affordable, sustainable, and compatible with the vision for Shutesbury’s future. Shutesbury is committed to increasing affordable housing with a goal of creating opportunities for current residents to continue to reside within the community. There is need for more diverse housing stock to support a healthy and economically diverse community.

V. Evaluation Criteria

The CPC Evaluation Criteria were developed in consultation with the relevant Town boards, committees, and residents at-large. The CPC also reviewed related criteria from other Community Preservation Act communities. With information gathered from this collaborative process the CPC established its Evaluation Criteria to help the Town prioritize its use of CPA funds.

Proposals submitted to the CPC will be evaluated under two sets of criteria. The first will be general criteria and the second will be project-type specific criteria (that is, Open Space, Historic Preservation, Recreation, and Community Housing).

The CPC uses a suite of approaches to evaluate applications: public hearings, interviews with applicants and invited witnesses, and CPC discussion. Using these tools, the CPC determines whether the application meets or fails to meet the general and specific criteria below. A potential project need not meet all of the indicated criteria to be recommended by the Committee but it should ideally meet as many as possible. Information from the evaluation process, the annual public hearing, and the goals of the CPC as expressed in this document all play a significant role in the Committee's discussion and subsequent vote. The goal of the CPC is to fund those applications that afford the most benefit to the town while making best use of the limited funding available.

1. General Criteria

- a. Require immediate attention
- b. Serve a currently under-served population
- c. Serve multiple community needs and populations
- d. Help with the preservation of town owned assets
- e. Involve the acquisition of threatened resources
- f. Have other sources of funding and a payment schedule
- g. Promote the use of local contractors when possible
- h. Have a means of support for maintenance and upkeep
- i. Financially and administratively feasible
- j. Have community support
- k. Provide a positive impact to the community
- l. Have support from relevant and necessary town board(s) or committee(s) and/or other agencies
- m. Have no or limited detrimental impact on the environment or natural resources
- n. Comply with all relevant local bylaws, state laws, and federal laws
- o. Aligns with, advances, or supports goals and priorities identified in other Town Plans
- p. Aligns with, advances, or supports goals and priorities identified in the Commonwealth of Massachusetts Sustainable Development Principles

2. Specific Criteria for Open Space Projects

- a. Permanently preserve, protect and conserve Shutesbury's natural resources, including clean air, wildlife habitat, and areas that are of local significance for biodiversity
- b. Contribute to the permanent conservation of Shutesbury's lands and aquatic resources
- c. Contribute to the permanent protection of lands currently enrolled with the Commonwealth of Massachusetts under Chapters 61, 61A and 61B
- d. Protect lands for which universal access is envisioned
- e. Provide opportunities for passive recreation and environmental education
- f. Protect or enhance wildlife corridors
- g. Provide connections between existing trails or create trail linkages
- h. Preserve scenic views that border a town road
- i. Protect drinking water quantity and quality
- j. Preserve important surface water bodies including wetlands, vernal pools, or riparian zones
- k. Preserve primary or secondary priority parcels listed in the Shutesbury Open Space and Recreation Plan
- l. Protect open spaces from the effects of climate change

3. Specific Criteria for Historic Preservation Projects

- a. Historical/cultural significance to the Town
- b. Protect, preserve, enhance, restore, and/or rehabilitate historic buildings, cemeteries, archeological sites, and artifacts, historical landscapes, objects, and/or historical documents and photos
- c. Proposed work meets the U.S. Department of the Interior's Standards for Rehabilitation
- d. Historic resource can be maintained for continued public benefit
- e. Potential loss or destruction of the resource if proposed action is not taken
- f. Protect, preserve, enhance, restore and/or rehabilitate Town-owned properties, features, artifacts, documents, or resources of historical significance
- g. Protect, preserve, enhance, restore and/or rehabilitate the historic function of a property or site

For historic buildings that are privately owned, the following evaluation criteria also apply:

- h. ability to execute a deed restriction and mortgage detailing repayment provisions and public access
- i. clearly stated and on-going public purpose
- j. fully funded project with less than 25% requested from CPA funds
- k. phased funding schedule for CPA funds to be provided for distinct project components
- l. monitoring and oversight plan that utilizes a qualified reviewer who is independent and free of conflicts of interest with the applicant

4. Specific Criteria for Community Housing Projects

- a. Promote the goal of having 10 percent of Shutesbury's housing stock considered affordable as per the State's Subsidized Housing Inventory
- b. Ensure long-term affordability for low- and moderate-income households, currently defined as a maximum of 100% of area median income
- c. Promote creation of additional housing options that offer current and future residents a wide range of housing choices, new production of family and/or senior housing, first time homebuyer support, and supportive housing alternatives
- d. Attract matching funds or grant opportunities to complete construction.
- e. Convert market-rate housing to affordable housing
- f. Support new affordable housing that is harmonious with the existing community
- g. Promote a socioeconomic environment that encourages a diversity of income, ethnicity, religion
- h. Give priority to local residents, town employees, and employees of local businesses in conformance with state and federal regulations.

5. Specific Criteria for Recreation Projects

- a. Serve a significant number of residents of all ages, gender, and ability
- b. Expand the range of active and/or passive recreational opportunities available to Shutesbury residents including trail connections, playing fields, play areas, open spaces, and parks
- c. Maximize the utility of land already owned by Shutesbury
- d. Accessible by residents with mobility limitations

Appendices

- A. Application and Approval Process
- B. Determination of Eligibility Form
- C. Community Preservation Application
- D. Community Preservation Committee Members FY 2025
- E. History of Shutesbury Community Preservation Town Meeting Votes

Appendix A.

FY 2025 Application and Approval Process

The Town of Shutesbury's Community Preservation Committee (CPC) is pleased to announce the availability of Community Preservation Act (CPA) funds. The funds available for distribution for eligible projects are based on a 1.5% surcharge on property taxes (excluding the first \$100,000 in property value) and a state match.

Application Process

1. Determination of Eligibility (DoE) The purpose of this document is to briefly summarize the proposal process used by the CPC to determine a project's eligibility and offer guidance. The CPC will rely on the CPA Allowable Uses Chart in determining eligibility (see Chart 1, page 4), as well as the CPA statute itself and relevant case law. Interested applicants must complete the one-page Determination of Eligibility form (Appendix B) and forward one copy to Chair of CPC, Shutesbury Town Hall, P.O. Box 276, Shutesbury, MA 01072. Also send an electronic version of the application to cpc@Shutesbury.org. The application timetable described below is for applications requesting funds for approval at the Annual Town Meeting. If the requested funds are for a project that must be approved with urgency, then applications may be submitted at any time (see the Special Application Process described below). If an application is submitted that requires an urgent response, contact the CPC at cpc@shutesbury.org.

Deadline: Submit the DoE form at any time, but no later than **December 5, 2024**.

2. Application for Funding. If the CPC determines that the proposal is eligible, the applicant may then complete the Application for Funding (Appendix C) and submit it to the CPC. The CPC will review the Application according to the Evaluation Criteria outlined in Section V. The CPC will invite applicants to present their proposals at a regularly scheduled meeting of the CPC.

Deadline: Submit the application any time after the DoE has been approved, but no later than **February 6, 2025**.

3. Review Process. The CPC will review all applications at a regularly scheduled meeting. Projects will be evaluated and prioritized using the Evaluation Criteria. It is anticipated that the vote to recommend will be taken at the CPC's March 20, 2025 meeting.

4. Town Meeting Approval. Each project must be approved by Town Meeting. Town Meeting can approve or reject recommended funding amounts for a project by majority vote. The CPA requires two-thirds majority vote for bonded projects and eminent domain proceedings.

5. Project Implementation. Funds for approved projects and procedures for requesting payment will be available as determined by the Town Administrator and are subject to the satisfaction of any conditions or procedures established by the CPC as described in the grant agreement contract.

6. Exit Survey. All groups, boards, or individuals who submit a Determination of Eligibility and/or an Application for Funding are asked to complete an optional exit survey to help the CPC better understand their experience with the application and review process and make improvements on it.

Special Process for Off-Cycle Applications

Purpose

For any use eligible for CPA funding, under special circumstances as determined by the CPC, the CPC will consider an application outside of the standard application process if it meets the criteria and follows the process described below.

The principle warranting special consideration outside of the standard application process would be when a unique opportunity is presented that, if missed, is likely to remove or make unavailable to the Town and its citizens a valuable resource or opportunity. Examples might include—but are not limited to—the imminent placing of real property on the market, time-sensitive stabilization or protection or restoration of an historic asset, timing constraints caused by external factors such as matching grant deadlines or construction schedules, or other emergency or unplanned situations. adlines or construction schedules, or other emergency or unplanned situations.

Process

In all such cases, the CPC will adhere to the procedures applicable under the standard application process except the applicant will not be required to submit a Determination of Eligibility.

Potential applicants seeking consideration outside of the regular grant cycle must first submit a letter to the CPC formally requesting consideration of an off-cycle grant request. The letter should indicate the name of the applicant and the project, briefly (in a few sentences) describe the project, and indicate the total cost of the project, the amount and category of CPA funding being sought, and the relevant timeline for the project. The letter must also clearly indicate why the application should be considered outside of the regular grant cycle timeline.

At its next regularly scheduled meeting, or at a specially scheduled meeting if required, CPC will discuss and vote (2/3 majority required) on whether to approve the request to submit an off-cycle grant application and on what the special deadline will be for receipt of the application. If the request is approved, the applicant must, by the indicated deadline, submit to the CPC a complete Application for Funding, using the application form from the most recent fiscal year.

The CPC will consider such an application as expeditiously as possible but will not itself schedule a Special Town Meeting or any other changes in the Town's calendar. The applicant is responsible for calling a Special Town Meeting or securing other necessary changes in the Town's calendar.

Criteria

The CPC will consider a proposal under the Special Application Process only if the project meets the general and specific criteria described in the Community Preservation Plan and the following additional criteria:

- The applicant was unaware of the opportunity to undertake the project or the proponents did not have authority to identify such opportunity prior to the standard application deadline for the fiscal year.

- If the proposed project involves the acquisition of property, the applicant has either: (a) a letter of intent signed by the current owner of the real property expressing an interest in selling to the applicant; or (b) legal control (an option, signed purchase and sale agreement, or legal title) of the real property.
- The project is supported by one or more Town or regional boards or committees with relevant authority or responsibilities.
- Failure to secure CPA funding will create a high likelihood that the project will not be able to be carried out for the benefit of the Town because the opportunity is of very short duration.
- Appropriation of CPA funding will contribute materially to the likelihood of success for the project.
- The project holds a high priority in the Community Preservation Plan or other planning documents currently accepted and utilized by the Town.

Appendix B.

Town of Shutesbury Community Preservation Committee

FY 2025 Determination of Eligibility

Submit 1 paper copy to:

Community Preservation Committee
Shutesbury Town Hall
P.O. Box 276
Shutesbury, Massachusetts 01072

Submit 1 electronic copy to:

cpc@shutesbury.org

This Determination of Eligibility form must be submitted to the CPC no later than December 5, 2024 for the project to be included on the warrant at the next Annual Town Meeting. Applicants are welcome to attend the CPC meeting on Thursday, December 19 to answer questions about their proposals and for the vote on the Determination of Eligibility.

Attach separate sheet if more than one lot/parcel/deed book/deed page number.

PROJECT DESCRIPTION:

- ***All of the following sections MUST be completed.***
- Applications will be returned if all relevant requested information is not provided.
- Include supporting materials and exhibits as necessary.
- Please refer to Shutesbury's Community Preservation Plan in completing this application.

1. **Describe the project.**

2. **Goals:**

a. What are the goals of the proposed project?

b. Who will benefit and why?

c. How will success be measured?

3. **Community Preservation Committee Criteria**

a. How does the project fulfill the General and Specific Evaluation Criteria (see the Shutesbury Community Preservation Plan, pages 10–12)?

4. Community Need

- a. If applicable, explain how this project addresses needs identified in existing Town plans? (Such as the Open Space and Recreation Plan, Community Plan, etc.)

--

5. Community Support

- a. What is the nature and level of support? Attach letters of support from any Town boards or community groups that have endorsed the project.

--

6. Budget

Budget Summary

Total Project Cost	CPA Funds Requested	Other Funds Total	Other Funds: % of Total
\$	\$	\$	%

Budget Details (Please provide as much detail as possible and leave any category blank if not applicable to your project)

	CPA FUNDS	OTHER FUNDS	TOTAL
Personnel			
Equipment			
Supplies			
Contractual			
Construction			
Other			
TOTAL			

Equipment is generally defined as an item with a useful life expectancy of more than one year.

Supplies are defined as an item with a useful life of less than one year.

Construction means all types of work done on a particular property or building including erecting, altering, or remodeling.

7. Other Funding

- a. Identify the amount of other (non-CPA) funds for this project. Sources include private, federal, state, or local government, or any other sources. Attach commitment letters from any organization providing a financial contribution.

Organization	Item	Amount	Type (cash, in-kind, etc.)

b. Are any Other Funds in-kind contributions? If yes, describe how the value of the in-kind contribution was derived. (“In-kind contributions” are a contribution of services or property, donated equipment, buildings or land, or donated supplies.)

8. Timeline

a. Provide a timeline for project implementation, including start and end dates for major tasks and project completion.

9. Project Management

a. Project Manager Contact Information (if other than the applicant)

Project manager name	
Daytime Phone	
Evening Phone	
Email	

10. **Maintenance** (Please note IF NOT APPLICABLE TO YOUR PROJECT)

a. If ongoing maintenance is required, who will be responsible for it?

b. How will it be funded?

Maintenance Budget

APPENDIX D.

COMMUNITY PRESERVATION ACT GRANT AGREEMENT FOR [name of recipient]

This GRANT AGREEMENT is made this ____ day of _____ 20__, by and between the Town of Shutesbury, through its Community Preservation Committee (hereinafter “Shutesbury CPC”) with an address of 1 Cooleyville Road, Shutesbury, MA and [recipient] with an address of [recipient’s address]. The purpose of this grant agreement is to implement the following grant award:

Project Name:

Project Description:

Full Scope of Work:

Date of Town Meeting Appropriation:

1. Award. The grant award is subject to the terms of this agreement. The Town of Shutesbury agrees to award the [recipient] \$ _____ from the Town’s CPA _____ fund balance for the purposes of the indicated project.
2. Project Application. The Project was part of the FY__ “[Project Name]” application submitted by the [recipient] and recommended by the CPC at its [date] meeting.
3. Term. Work on the Project must commence within one (1) year from the first day of the fiscal year following the Town Meeting vote to appropriate funds for the Project (the “Commencement Date”), [Commencement Date]. All work must be done within three (3) years from the Commencement Date, unless extended by the Town. Any unexpended funds not used for the project shall be returned to the Town’s CPA [awarding] account.
4. Budget and Other Sources of Funding: Prior to the commencement of the work the recipient must submit an updated budget for work awarded under this grant Agreement and confirmation of receipt of all other sources of funding to complete the project as described herein.
5. Reports. Upon completion of the work, the recipient shall submit a report to the Shutesbury CPC describing how the project used its CPA funds and whether any CPA funds remain unused.
6. Community Preservation Act Awareness. While that portion of this Project funded by this grant of CPA funds is underway, the Grantee agrees to post a temporary sign stating that the Project was funded through the Town of Shutesbury’s Community Preservation Act program. The Grantee shall also identify that the Project was funded by the Town of Shutesbury’s Community Preservation Act program in its written materials about the Project, including press releases, brochures, and similar materials.
7. Compliance with Laws and Agreement. Recipient acknowledges and agrees that projects funded through the Award are made pursuant to and must comply with the requirements of the Community Preservation Act, M.G.L. c. 44B. Recipient also agrees to comply with all requirements of this Grant.

8. Grant Termination. All recipients of CPA Funds shall comply with this Grant Agreement entered into by the recipient and the Town of Shutesbury, the accepted grant proposal, and this Policy.

Grant funds shall be expended as agreed to by the recipient and CPC within three (3) years of receipt of the funds unless otherwise provided for in the grant agreement or unless an extension is recommended by the CPC for cause. If an extension is desired, the grant recipient shall petition the CPC at least thirty (30) days prior to the termination of the three years. The CPC shall recommend to the Selectboard if the grant completion time should be extended. The Selectboard shall notify the recipient in writing if the grant completion time is extended.

In the event that a Shutesbury CPA funds grantee fails to fulfill its obligations under the terms of the CPA grant agreement, as described in the recommended CPC grant proposal, or under the terms of this Agreement, the following actions will be taken:

- a. As determined by the CPC, the Committee may, at its sole discretion, provide written notice to the listed grant contact, notifying said grant contact that unless they come into compliance with all terms of the grant agreement and/or proposal, said grant of funds will be recommended for termination.
- b. If the issues identified by the CPC as unfulfilled obligations are not cured to the satisfaction of the CPC within forty-five (45) days after receipt of said written warning, OR, if not able to be cured within forty-five (45) days, significant steps toward curing are not taken within forty-five (45) days and moved toward completion in a reasonable amount of the CPC shall have the right to recommend termination of the grant to the Selectboard for consideration by Town Meeting.

Upon receipt of a termination notice, the grantee shall cease to expend any further grant proceeds on the project unless the termination notice is rescinded in writing.

A majority vote of Town Meeting shall be required to terminate a CPC grant agreement. Upon termination of the grant agreement, the Town shall be free to pursue any rights or remedies pursuant to the grant agreement or at law, including without limitation, recapture of unobligated funds and obligated funds already expended for the project. Unused CPA funding from a terminated project will be returned by Town Meeting, in its vote to terminate the grant, to the CPA account(s) from which those funds were originally appropriated by Town Meeting.

It is the sole responsibility of the grant contact person to provide the CPC with an up-to-date mailing address and contact information. If there is a change in the grant contact information, it is that person’s responsibility to provide contact information for the replacement grant contact within fourteen (14) days of any change. Failure to do so resulting in non-delivered mail will not be a reason for extending any time deadline and will be a breach of the grant agreement.

Executed as of this date set forth above:

Article withdrawn

Article 33. To see if the Town of Shutesbury will update the Community Preservation Bylaw as follows:

Town of Shutesbury Community Preservation Bylaw (Update: 2020)

Chapter 1: Establishment and Role. The Town of Shutesbury hereby establishes a Community Preservation Committee. The Community Preservation Committee is responsible for evaluating the community

preservation needs of the town and making recommendations to Town Meeting as part of the annual budget process. It is responsible for developing a Community Preservation Plan and presenting an annual community preservation budget to Town Meeting.

Chapter 2: Membership. The Community Preservation Committee shall consist of seven (7) voting members pursuant to MGL Chapter 44B, Section 5. Members shall serve a one-year term which may be renewed with no limitation.

The Select Board shall appoint the members of the committee as follows:

- One member of the Conservation Commission as designated by the Commission
- One member of the Historical Commission as designated by the Commission
- One member of the Planning Board as designated by the Board
- One member to act in the capacity of, or perform like duties of, a member of a housing authority representing the interests of affordable housing in the Town of Shutesbury
- One member of the Select Board or its designee, to act in the capacity of, or perform the duties of the Board of Park Commissioners
 - One member of the Open Space or Recreation Committees, as designated by either Committee
 - One At-large member

Should any of the Commissions, Boards, Councils or Committees who have authority to designate under this Chapter not exist in the Town of Shutesbury or no longer be in existence for whatever reason, the designation authority for that Commission, Board, Council, or Committee shall become the responsibility of the Select Board.

Should any designating authority fail to make their designation by the beginning of the fiscal year, the Select Board may make the appointment.

Chapter 3: Requirement for a quorum and committee action. The Community Preservation Committee shall not conduct business without the presence of a quorum. A majority of the currently appointed members of the committee shall constitute a quorum.

The Community Preservation Committee shall approve its actions by a majority of the members.
