

Shutesbury Board of Health
June 9, 2021, 7 pm
Virtual meeting

Present: Norene Pease, chair; Catherine Hilton, clerk; Arleen Read, Garrett Simonsen, Al Werner, board members.

Minutes of the meeting of June 2 were accepted with minor emendations.

Annual Town Meeting: Arleen and Al will mark chalk lines under the tent on Friday. Cat will put together insect-borne disease materials for distribution. Our tasks will include guiding people to seating, encouraging compliance with recommended masking and social distancing, and providing microphone covers.

Arleen will be the arbovirus contact and requires a back-up. She will contact Claudia and see if she is the appropriate person to do this.

Lake Wyola Association: we were asked if we denied the association permission to hold a meeting on June 12, outdoors and in person. The question didn't really come up as restrictions were still in place when we were last consulted. Cat will respond.

Tom Siefert of Shutesbury Athletic Club briefly joined the meeting in the mistaken belief that the club was on the agenda.

The board agreed to a plan to reopen Town Hall June 21. Masks and social distance will be recommended; any meetings will be held downstairs. Boards and committees may continue to meet virtually until at least September 1. We recommend that vaccination status be part of the signage on this.

The board considered its response to the reiterated Open Meeting Law complaint based on a draft provided by Cat, who will incorporate the changes suggested and send it around for a final proofreading. Also consult Donna McNicol about to whom the response should be addressed and how it should be sent.

Adjourn 8:25
