Board voted unanimously to provide no more than \$200 from our FY26 budget to subsidize Sarah Fiske's travel to the public health conference in DC.

Arleen will verify that Morse Hill camp has complied with two last certification requirements, completing the inspection done by Claudia.

#### **Discussion:**

Effects of Claudia's resignation; need for health agent services can at least partially be met by the collaborative; potential dissolution of the district and creation of a new entity within the collaborative to provide these services. The district has been unable to meet since the news of the resignation. There is also much uncertainty about future funding for public health.
