MINUTES

Review of minutes from March 4; Rita moved for acceptance, Michael seconded. Unanimous vote.

Historical commission representative to CPC. Karen Czerwonka volunteered. Complicated because she doesn't have internet access. Ezzell Florentine is also a potential member. Historical Commission will make a recommendation and that will be passed along to the Selectboard for appointment.

Review of 4 draft articles for town meeting. Rita moves to accept 4 articles as written, Michael seconded. Unanimous vote to accept.

CPC presentation to Town Meeting – Al will present unless he is not available for TM, Michael will be backup. Al will send last year's presentation to Michael. Will make sure someone is available from Conservation Commission and Recreation Committee for presentation of their proposals.

Our Town article went in to print. The committee thanked Allen for writing it.

What do we do about members who are never present. We will have a vacancy for our community-at-large position. – as we recalled, we changed our bylaws to be one year appointments. We should be seeking out someone whom we think would be interested.

Update of work on Old Town Hall – Building committee is still thinking about alternatives to digging out underneath the building. Al went to their most recent meeting. It is good to know that they're still working on it.

Motion to adjourn – Michael , Linda second. Unanimous vote. Adjourned at 7:43PM

Respectfully submitted by Elaine Puleo
