Dear Recreation Committee,

I would like to request to be a member of your committee. My main interest would be in developing community gardens. Please let me know if there is an opening. I have a great deal of experience in town government (School Committee, Finance Committee, Selectboard, Community Preservation Committee). Currently, I am only a member of the Community Preservation Committee.

Thank you for your consideration,

Elaine Puleo

BZ proposed that we approve Barbara, a new Shutesbury resident with a keen interest in gardening, and Elaine, a longtime resident and also avid gardener, to replace the two members of our committee who have left in the past year. Their membership was approved by Christine R and Christine M and now awaits final approval by the Select Board.

We agreed that Christine M would send these minutes to Rita Farrell as a member of the SB and to town administrator Becky Torres, as well as to town clerk, Grace Bannasch, for approval of Barbara and Elaine's committee membership.

Next meeting: this Thursday, September 10 at 2 pm via Zoom.

Agenda: community gardens.
