

Shutesbury Recreation Committee Meeting Minutes
July 27, 2021
7PM, Zoom

Present: Barbara Bigelow, BZ Reilly, Christine Robinson, Christine Marglin
Absent: Elaine Puleo

Agenda:
Approval of last meeting's minutes
Community Garden: location

Contract with CPC will not necessary because this is an agreement between two town entities, we should have agreement by the end of August.

A letter from the library states that Lot 32, where the library is supposed to be built, may not be feasible, in which case it would need to go behind town hall and might conflict with the community garden. However, we do not believe this will be a problem in fact, and the two things, library and gardens, would go very nicely together.

We will next meet at the end of August if there is nothing new, and not until September if there isn't. Barbara will let us know when she schedules the meeting.
