RE: AMP Solar Development, ASD Pratt Corner Road South MA Solar, LLC, Pratt Corner Road (Parcel ZU-2), Shutesbury, MA. MHC #RC.69744.

Dear Mr. Morrison:

Staff of the Massachusetts Historical Commission (MHC) have reviewed the Project Notification Form (PNF) submitted for the project referenced above and the MHC's files.

As you know, the project referenced above is one of six solar development projects (Parcel ZW-6, RC.69689; Parcel ZG-2, RC.69688; Parcel ZF-15, RC.69745; Parcel ZD-37 North of Carver Road, RC.69646; and Parcel ZD-37 South, RC.69747) proposed by AMP Solar Development in Shutesbury. Because of the cumulative impacts generated by these projects, they may require review under the Massachusetts Environmental Policy Act (MEPA). The MHC recommends that project planners consult with staff at the MEPA office to ascertain whether or not MEPA review is required. The PNF also indicates that the project requires a NPDES General Construction Permit from the US Environmental Protection Agency (EPA).

Review of the Inventory of Historic and Archaeological Assets of the Commonwealth indicates that the project property adjoins the Pratt Corner Road Farms historical area (MHC #SHU.E). Portions of the project area are archaeologically sensitive for having small, special purpose ancient sites and for historical period sites associated with the Pratt Corner Farms. Evidence of agricultural and other types of early industrial activities may also be expected. Areas that are generally flat, well-drained, and close to fresh water and wetlands may have archaeological deposits and features.

When scaled project plans are developed showing existing and proposed conditions, including access routes and construction staging areas, please provide the information to the MHC for review and comment. Plans should be sized to be no larger than 11" x 17".

*These comments are offered to assist in compliance with Section 106 of the National Historic Preservation Act of 1966 as amended (36 CFR 800). Please contact me if you have any questions or require any information.*

Sincerely,

A handwritten signature in black ink, appearing to read "Jonathan K. Patton".

Jonathan K. Patton  
Archaeologist/Preservation Planner
