DISPOSAL FEES

Up to 3 gallons/pounds	\$45
3 – 10 gallons/pounds	\$60
10 – 25 gallons/pounds	\$100
Fluorescent bulbs	\$1 each
Motor oil (additional fee)	\$10 per gallon
Batteries	Free

Quantity is based on container size, not residual amount.

IMPORTANT INFORMATION

- Participation is limited. To ensure an appointment time, please register early.
- Shutesbury residents are responsible for waste disposal costs.
- Batteries are accepted free of charge. No Alkaline batteries or batteries above 24 volts accepted.
- Fluorescent bulbs will be accepted at \$1/bulb.
- \$10 per gallon additional fee for motor oil (several local businesses will take it for free).
- Only cash & checks will be accepted (no credit cards).
- We encourage those with small quantities of material to partner with friends, family & neighbors to reduce traffic at the event.

**NO OIL PAINT
(LATEX/ACRYLIC PAINT)
WILL BE ACCEPTED.**

Disposal information for latex/acrylic paint is provided on the Amherst Recycling & Solid Waste website.

A few days before the event, registrants will receive an assigned appointment window and paperwork to bring with your hazardous material on collection day.
